Which semester and year are you applying for admission? _____

Note: Graduate assistantships are usually offered for academic year starting from fall semester.

Which graduate program are you applying for admission? Select one.

_____ MS in Mathematical Sciences (not in Risk Analysis and Management Track)

_____ MS in Statistics

_____ MS in Mathematical Sciences (Risk Analysis and Management Track)

The Graduate Committee of the Department may send the admission recommendation to the Graduate Admissions Office before the graduate assistantship decisions are made. However, upon applicants' requests, the Graduate Committee of the Department can hold the admission decisions, and send the admission recommendation to the Graduate Admissions Office after the graduate assistant decisions are made. Please specify whether or not you wish the admission decision to be held.

_____ Yes. Please hold the admission decision.

_____ No. Please do not hold the admission decision.

Note: To receive graduate assistantship, you must be a full-time graduate student.
Graduate assistants cannot accept employment outside FIU.
