

**LIST OF ACCEPTED ABSTRACTS**  
**CITC-IV CONFERENCE**  
**JULY 11-13, 2007**

SR. NO.	REF. NO.	COUNTRY	ABSTRACT TITLE	AUTHOR (S)
01	AU01	<u>Australia</u>	Notational Support For Usability Design Of Mobile Computing Systems In Construction	Xiangyu Wang
02	AU02	<u>Australia</u>	Potential Project Benefits From Improved Review Decisions	Ming Xu, Collete Burke, Colin Duffield
03	AU03	<u>Australia</u>	Prospects & Perspectives For Specifying Construction Outcomes	Mark F. McGovern, Motiar Rahman, Chris Miller
04	AU04	<u>Australia</u>	Empirical Approach To Understand The Knowledge Management Process	Sherif Mohamed, Le Chen
05	AU05	<u>Australia</u>	Remote Intelligent System For The Autonomous Structural Health Monitoring Of Buildings: A Conceptual Framework	Rodney A. Stewart, Tsu-Te Huang, Jeung-Hwan Doh, Denis Song
06	AU06	<u>Australia</u>	Investigating The Link Between Climate For Innovation And Diffusion Outcomes In Architecture & Engineering Design Firms	Rodney A. Stewart, Kriengsak Panuwatwanich
07	AU07	<u>Australia</u>	Evaluating International Technology Transfer On Thai Construction Projects	Rodney A. Stewart, Tenut Waroonkun
08	AU08	<u>Australia</u>	IT Enhanced Project Information Management In Construction: Pathways To Improved Performance & Strategic Competitiveness	Rodney A. Stewart
09	AU09	<u>Australia</u>	Application Of Analytic Hierarchy Process In Managing Construction Risks: The Case Of Pakistan	Sherif Mohamed, Tauha H. Ali
10	AU10	<u>Australia</u>	On Using Six-Sigma Principle For Quality Improvement In Construction	Vivian W.Y. Tam, Khoa N. Lee
11	AU11	<u>Australia</u>	Implementing A Waste-Management-Plan Method In Construction: An Effective Approach	Vivian W.Y. Tam
12	AU12	<u>Australia</u>	On The Prevailing Waste Recycling Methods: A Southeast Queensland Study	Vivian W.Y. Tam, D. Kotrayothar, Y.C. Loo
13	AU13	<u>Australia</u>	A GA-Fuzzy Financial Model For Optimization Of BOT Investment Decision	Sherif Mohamed, Md Mainul Islam
14	AU14	<u>Australia</u>	Causal Relationships Between Enablers Of Construction Safety Culture	Sherif Mohamed, Thanwadee Chinda
15	AU15	<u>Australia</u>	Using Augmented Reality To Support Coordination And Communication In Construction Disaster Response	Xiangyu Wang
16	AU16	<u>Australia</u>	An Analysis Of Relational Contracting And Trust In The Australian Construction Industry	Valerie E. Francis, Nicole Lancer
17	AU17	<u>Australia</u>	Risk Allocation Trends In Australia And The UK For Social Infrastructure Projects Procured As PFI/PPPs	Colin F. Duffield, C.J. Clifton
18	AU18	<u>Australia</u>	Float Loss Impact Assessment	Zafer I. Sakka
19	AU19	<u>Australia</u>	Project Inception: Preparing The Strategic Brief	Jim Smith

**LIST OF ACCEPTED ABSTRACTS**  
**CITC-IV CONFERENCE**  
**JULY 11-13, 2007**

20	AU20	<u>Australia</u>	Development of a Backward Prediction Model Based on Limited Historical Datasets	Jaeho Lee, Khoa Le, Michael Blumenstein, Yew-Chaye Loo
21	CZ01	<u>Czech Republic</u>	Systems & Models Supporting The Decision Making Of The Construction Price	Alena Ticha, Jana Korytarova, Leonora Markova
22	CZ02	<u>Czech Republic</u>	Material Substitution & Building Life Cycle Costs	Leonora Markova, Alena Ticha, Jana Korytarova, Vit Hromadka
23	CZ03	<u>Czech Republic</u>	The Evaluation Of Economic Effectiveness Of Structural Investment Projects	Jana Korytarova, Leonora Markova, Alena Ticha, Vit Hromadka
24	EG01	<u>Egypt</u>	Effect Of Variant In Concrete Cover And Percentage Of Steel Reinforcement On Residual Load Capacity For Reinforced Concrete Columns Exposed To Fire	Ahmed S. Gabr, A.A. Shaheen, M A. A.El Aziz, K.M. Osman, A. Serag
25	FI01	<u>Finland</u>	The Stakeholders' Relationship Measurements Of Major Procurement Routes In Finland	Adekunle Sabitu Oyegoke
26	GR01	<u>Greece</u>	Advancing Engineering, Management, And Technology	Andreas Platikostas
27	GR02	<u>Greece</u>	What Really Occurs At The Construction Site?	E. Varanou, John-Paris Pantouvakis
28	GR03	<u>Greece</u>	Life Cycle Cost Analysis Of Highways To Assist Design And Construction Decisions	Athanasios P. Chassiakos, D.D. Theodorakopoulos, S.P. Sakellaropoulos
29	GR04	<u>Greece</u>	Using Petri Nets And Multi-Objective Linear Programming Techniques In Linear Repetitive Projects	Vasilis C. Gerogiannis , Panelis G. Ipsilandis
30	GR05	<u>Greece</u>	Risk Incorporation In The PPP Valuation Techniques	Nikolaos Vantoros, John-Paris Pantouvakis
31	GR06	<u>Greece</u>	A Fuzzy Delphi Method In Determining The Most Advantageous Tender In Construction Projects	Odysseus Manoliadis
32	GR07	<u>Greece</u>	Risk Trade-Offs In Multi Objective Scheduling Of Linear Repetitive Projects	Pandelis G. Ipsilandis
33	GR08	<u>Greece</u>	Monitoring Of Materials With GIS And RFIDs During A Construction Project	Maria C. Kirkinezou, Demo C. Angelides
34	GR09	<u>Greece</u>	Warehouse Consumables: Controlling Their Cost As The Project Advances	Georgios N. Aretoulis, Georgios Papadakis, Demos C. Angelides
35	HK01	<u>Hong Kong</u>	Comparison Of Construction Quality Management Systems In Japan, Singapore, & Hong Kong	Siu-LamTang, Andrew W.T. Lau
36	HK02	<u>Hong Kong</u>	The Application Of Hydro Mulching Material For Ecological Rehabilitation Of Rock Filled Slope In Hong Kong	Johnny Y.N. Mok, Daniel Ho, Hebe How
37	HK03	<u>Hong Kong</u>	The Use Of Target Cost Contracting Procurement Strategy: Interview Findings From Hong Kong	Daniel W.M. Chan, Albert Chan, Patrick Lam, Edmond Lam, James Wong
38	HK04	<u>Hong Kong</u>	A Research Framework For Investigating Public Private Partnerships In Hong Kong	Esther Cheung, Albert P.C. Chan, Patrick T.I. Lam, Daniel W.M. Chan, Tony Sidwell, Stephen Kajewski
39	HK05	<u>Hong Kong</u>	Contracting For Community Development- A Case Study Based Perspective Of A Public Sector Client Initiative In Hong Kong	Gangadhar Mahesh, Mohan Kumaraswamy, Aaron Anvuur, Vaughan Coffey, Sussana Wong

**LIST OF ACCEPTED ABSTRACTS**  
**CITC-IV CONFERENCE**  
**JULY 11-13, 2007**

40	HK06	<u>Hong Kong</u>	A Generic Framework Of Performance Specifications For Specialist Works	Patrick T. Lam, Mohan M. Kumaraswamy, Thomas ST Ng
41	HK07	<u>Hong Kong</u>	Risk Management Of Piled Foundation Projects In Hong Kong- A Realistic Or Equitable Approach	Paul H. K. Ho
42	HK08	<u>Hong Kong</u>	Empowering Project Teams: Towards An Integrative Conceptualization Of Empowerment	Martin M. Tuuli, Steve M. Rowlinson
43	ID01	<u>Indonesia</u>	Lesson Learned Corrective Action In Internal Factors Of Construction Company In Indonesia	Sudarto, Ismeth S. Abidin, Bambang Trigunaryah
44	ID02	<u>Indonesia</u>	Long Term Indonesian Construction Industry Aggregate Productivity Simulation Considering Overall Business Environment	Hari G. Soeparto, Ismeth S. Abidin, Budi S. Soepandji
45	IN01	<u>India</u>	Neural Network Modeling Of Highway Construction Costs And The Effect Of Risk Factors On Cost And Duration	Arun Chandramohan
46	IN02	<u>India</u>	Geographic Information Systems As Tool For Construction Industry	Vijay K. Bansal, Mahesh Pal
47	IN03	<u>India</u>	Health Monitoring Of Civil Infrastructure- Perspectives In Future	Suresh Bhalla, Ashok Gupta
48	IN04	<u>India</u>	Monitoring Oh Highway Bridges In Singapore	Rupali Suresh, S.C. Tjin
49	IR01	<u>Iran</u>	An Analytical Study On The Process Of Housing Recovery After The 2003 BAM Earthquake In Iran	Alireza Fallahi
50	IR02	<u>Iran</u>	Draft Level And Fish Way Study To Optimize Ship Lock Overflow Design In The Bahmanshir River Through Dredging Program And Geotechnical Test	Afshin Turk, Shabnam Ghanavatzadeh
51	IR03	<u>Iran</u>	Skyscraper Would Be Simulated To Increase Stability And Buckling Resistance Using The Palm Tree Behavior In War Condition	Afshin Turk, Shabnam Ghanavatzadeh
52	IR04	<u>Iran</u>	Template Design And Leveling Installation Of Circular Cell Cofferdam Using The Space Structure & Pipe Piles On The Bahmanshir River	Afshin Turk, Shabnam Ghanavatzadeh, Pakavach Samani
53	KR01	<u>Korea</u>	LCCO2 Assessment For Construction Wastes Of A High-Rise Residential Project	Jeehye Kim, Heesung Cha, Dongwoo Shin
54	KR02	<u>Korea</u>	Improvement Of Link Process In 4D CAD Viewer By Using Interface Board For Plant Project Management	Leen-Seok Kang, Seo-Young Park, Hyun-Suk Moon, Chang-Hak Kim
55	KR03	<u>Korea</u>	Exploratory Analysis On The Complex System Of Performance Influence Factors In International Construction Projects Using System Dynamics	Heedae Park, Seo-Heon Han, Hyoung Kim, Du-Yon Kim
56	KR04	<u>Korea</u>	Cash Flow Forecasting In International Construction Projects Through Risk Analysis	Sang M. Yeom, Seung H. Han, Hyounkwan Kim, Du-Yon Kim
57	KR05	<u>Korea</u>	Integrated Management System For Managing Of Construction And Demolition Waste	Chang Hak Kim, Charlse J. Kibert, Hyo Jin Kim, In Seok Kang, Seong Sik Kim
58	KR06	<u>Korea</u>	Effective Total Project Management System Using PDA	Kim Sang-Chul, Park Chang-Jeong
59	KR07	<u>Korea</u>	Design Management System Development For Effective Design Collaboration	Jae Won Shin, Han-Guk Ryu, Kwon O. Kyung

**LIST OF ACCEPTED ABSTRACTS**  
**CITC-IV CONFERENCE**  
**JULY 11-13, 2007**

60	KR08	<u>Korea</u>	Safety Risk Management System For Construction Projects	Sun-Ju An, Hyun-Soo Lee, Moonseo Park, Sang-Hoon Song
61	MY01	<u>Malaysia</u>	Decision Making In The Design Process Of Refurbishment Projects	Azlan Shah Ali, Ismail Rahmat, Noorhashimah Nordin
62	MY02	<u>Malaysia</u>	An Automated Project Progress Monitoring System For Malaysian Housing Industry	Zubair Ahmed Memon, Muhd Zaimi Abd. Mjid, Mushairry Mustaffar
63	MY03	<u>Malaysia</u>	Artificial Neural Networks In Predicting Service Life Of Building Component In Malaysia Based On Environment And Building Component Service Load	Fathoni Usman, Iti Hamisah Tapsir, Jamaludin Mohd Yatim
64	MY04	<u>Malaysia</u>	Accident Investigation, Blackspot Treatment, And Modeling Of Federal Route F050 Malaysia	Fajaruiddin Bin Mustakim
65	MY05	<u>Malaysia</u>	A Qualitative Approach: Malaysian Practitioner's Perception On Knowledge Management In Construction Consulting Companies	Ade Asmi, Amran Rasli, Muhd Zaimi Abd. Majid
66	MY06	<u>Malaysia</u>	Factors Influencing Project Success: Perspectives From Client, Consultant And Contractor	Mohd Nasir Siti Rashidah, Muhd Zaimi Abd. Majid
67	NG01	<u>Nigeria</u>	Effect Of Availability And Utilization Of Temporary Site Facilities On Construction Time And Cost Performance	Oluwaseyi M. Ajayi
68	NG02	<u>Nigeria</u>	Factors Responsible For Project Success And Failure	Oluwaseyi M. Ajayi, O. E. Ogunsanmi
69	NG03	<u>Nigeria</u>	Assessment Of Risk In Design- Build Contract In Nigeria	Oluwaseyi M. Ajayi, Aliu A. Soyngbe
70	NL01	<u>The Netherlands</u>	Construction Pre-Project Stage Control Using Process Performance Indicators	Tatsiana Haponava, Saad Al-Jibouri
71	NL02	<u>The Netherlands</u>	Using KPI To Control The Quality Of The Pre-Project Stage	Tatsiana Hapanova, Saad Al-Jibouri, M. Mawdesley
72	NZ01	<u>New Zealand</u>	Analysis Of Construction Site Safety Education Developments In New Zealand, Where To From Here?	Laurie J. Richardson, S.T.K. West
73	NZ02	<u>New Zealand</u>	Understanding The Operation Of A Central Retention Fund Vis-À-Vis Residential Tenancy Boards	Vasantha Abeysekera, Guomin Kevin Zhang, Venuri Abeysekera
74	NZ03	<u>New Zealand</u>	The Impact Of Performance Bonds On Main Contractor's Working Capital	Vasantha Abeysekera, Aaron Tait
75	NZ04	<u>New Zealand</u>	Applying Project Management Know-How To Improve Time Management Skills Of Third Year Engineering Undergraduates	Vasantha Abeysekera, Ashoka Abeysekera
76	PK01	<u>Pakistan</u>	Evaluating Risk Management Practices In The Pakistani Construction Industry: The Current State Of Play	Tauha H. Ali, Rodney A. Stewart, Saifullah Qureshi
77	PK02	<u>Pakistan</u>	Design And Construction Defects In The Buildings Of Balakot (Pakistan) And Surrounding Areas In Relation To Earthquake Loading	Muhammad Azhar Saleem, Zahid Ahmad Siddiqi
78	PK03	<u>Pakistan</u>	Jurisdiction And Organizational Structure Of Pakistan Public Works Department	Khalid Mehmood Malik, Nayyar Khalid
79	QA01	<u>Quatar</u>	Duration-Profit Trade-Off Analysis	Ahmed Senouci

**LIST OF ACCEPTED ABSTRACTS**  
**CITC-IV CONFERENCE**  
**JULY 11-13, 2007**

80	SA01	<u>Saudi Arabia</u>	Implementation Of A Web-Based Multi-User Task-Management System In A Civil Engineering Construction Project	M. Mobin Idrees, Mansour N. Jadid
----	------	---------------------	---	-----------------------------------

**LIST OF ACCEPTED ABSTRACTS**  
**CITC-IV CONFERENCE**  
**JULY 11-13, 2007**

81	SE01	<u>Sweden</u>	Risk Attitudes To Innovative Concrete Technologies	Arne Ziegert
82	SG01	<u>Singapore</u>	Catastrophic Risk Analysis of Infrastructure Systems: A Research Agenda"	Charles Y.J. Cheah
83	SG02	<u>Singapore</u>	Maintainability Scoring System For Central Chilled Water HVAC System	Sutapa Das, Michael Yit Lin Chew
84	SG03	<u>Singapore</u>	Critical Success Factors And Key Performance Indicators: Case Study Of A Mega Project In Thailand	Sutapa Das, Stephen O. Ogunlana, Shamas-ur-Rehman Toor
85	SK01	<u>Slovakia</u>	The Natural Frequencies Diagnostics Of The Automobile Disc And Their Analysis	Miroslav Kopecky, Jan Vavro, Milan Saga
86	TH01	<u>Thailand</u>	Framework Of Technology Transfer System For Contractor In Infrastructure Construction Project	Vachara Peansupap, Thatsit Sakulpong
87	TH02	<u>Thailand</u>	Implementation Processes Of Virtual Reality In Construction Companies	Vachara Peansupap
88	TH03	<u>Thailand</u>	Design And Construction Of Townhouses With Energy Awareness	Wannawit Taemthong
89	TH04	<u>Thailand</u>	A Comparative Energy Consumption Study Of Air Conditioning Room Using Double Door System & Single Door With Electrical Wind Curtain System In Hot And Humid Climate	Wannawit Taemthong
90	TH05	<u>Thailand</u>	On Innovation Engineering For Green Industrial Estates: The Possibilities, The Concept Design, And The Benefits	Sakgasesm Ramingwong, Poon Thiengburanathum, Salinee Santiteerakul
91	TW01	<u>Taiwan</u>	Forecasting The Trends Of Construction Cost Indices For Taiwan With Employing Support Vector Machine	Yishuo Huang, Yu-Ying Cheng
92	TW02	<u>Taiwan</u>	A Systematic Risk Management Approach: Using The PDR1	Yu-Ren Wang
93	TW03	<u>Taiwan</u>	Ming Knowledge In KMS Performance Data: A Case Study Of An A/E Consulting Firm	Wen-Der Yu, Cheng-Tie Lin, Cheng-Tien Yu, Shen-Jung Liu, Huai-Ching Luo, Pei-Lun Chang
94	TW04	<u>Taiwan</u>	A Knowledge Map For Delay Analysis Development	Jyh-Bin Yang, Chih-Kuei Kao
95	TW05	<u>Taiwan</u>	Simulation-Based Scheduling Model For Multiple Design Projects Considering Uncertain Design Iterations	Wei-Chih Wang, Jang-Jang Liu
96	GB01	<u>United Kingdom</u>	A Framework For Sustainability And Reduction Of Reliance On Fossil Fuels In The UK	Abbas Ali Elmualim
97	GB02	<u>United Kingdom</u>	Factors Affecting Productivity In Construction Firms In African (Taking Nigerian Construction Firms Into Consideration)	Ebenezer Oluwatope Abel
98	GB03	<u>United Kingdom</u>	Developing A Procurement Case For Project Partnering Management: The Space Approach	Nicholas Chileshe, Norman Watts
99	GB04	<u>United Kingdom</u>	The Resource Based View And The Moral Economy In Project Management	Hedley J. Smyth
100	GB05	<u>United Kingdom</u>	Continuous Improvement: From Market Structure And Governance To Behavior And The Moral Economy	Hedley J. Smyth

**LIST OF ACCEPTED ABSTRACTS**  
**CITC-IV CONFERENCE**  
**JULY 11-13, 2007**

101	GB06	<u>United Kingdom</u>	Understanding The Management Of Trust	Hedley J. Smyth
102	GB07	<u>United Kingdom</u>	Strategic Planning Capability Of Construction Contractors In UAE	Francis T. Edum-Fotwe, Masour al-Dhaheiri, Ronald McCaffer, Vasantha Abeysekera
103	GB08	<u>United Kingdom</u>	Aspects Of Procurement Within The Nigerian Construction Industry-Perception Of Consultants And Contractors	Nicholas Chileshe, Nasiru A. Aliyu
104	GB09	<u>United Kingdom</u>	Attributes Of Change Initiators In Construction Project Environments	Francis T. Edum-Fotwe, Stan F.H.M. van Mortell, Emilia van Egmond, Uwe Matzat
105	GB10	<u>United Kingdom</u>	Investigation Of Project Manager's Restraints (PMR) On Construction Resources Utilization (CRU)	Julius A. Fapohunda, P. Stepheson, A. Griffith, Nicholas Chileshe
106	GB11	<u>United Kingdom</u>	Factors Affecting The Participation Of Disadvantaged Constructional-Related Business Originations: A Comparative Study Of The USA And South Africa	Nicholas Chileshe, Winston M.W. Shakantu, Samuel Quashie
107	GB12	<u>United Kingdom</u>	The Relationship Between Construction Logistics And Project Performance	Nicholas Chileshe, Winston M.W. Shakantu
108	GB13	<u>United Kingdom</u>	Development Of An Operational Framework For Materials And Waste Logistics Within A Construction Related Environment	Nicholas Chileshe, Winston M.W. Shakantu
109	GB14	<u>United Kingdom</u>	Integrated Supply Chains-Examples From The UK Construction Industry	Malik M. A. Khalfan, Peter McDermott
110	GB15	<u>United Kingdom</u>	Dynamic System For Change Implications In Construction	Ibrahim A. Motawa
111	US01	<u>United States</u>	Life Safety Features At The MIC (Miami International Model)	Mario Berrios
112	US02	<u>United States</u>	Hurricane Damage And Flood Simulation For Coastal And Inland Communities In Florida	K. Grosskopf, Ilir Beljiri, E. Kramer
113	US03	<u>United States</u>	Visualizing Construction: Digital Graphics For 21st Century Constructors	Michael Hein, Junshan Liu
114	US04	<u>United States</u>	Inadequate And Unsafe Temporary Lighting In Buildings Under Construction: Risks, Challenges, And Solutions	Bruce W. Smith, Salman Azhar
115	US05	<u>United States</u>	Undocumented Migrant Workers And Their Impact On The US Construction Industry	G. Bruce Gehrig
116	US06	<u>United States</u>	Parametric Cost Estimation Of Construction Demolition Projects: Regression Approach Versus Neural Network Approach	Mohamed A. El-Gafy
117	US07	<u>United States</u>	A Decision Tool For Optimal Maintenance Strategies In Highway Work Zones	Mehmet E. Bayraktar, Makarand Hastak, Clayton Owens
118	US08	<u>United States</u>	Motivating Contractor Performance Improvement Through Measurement	Kenneth T. Sullivan, Dean Kashiwagi, N. Chong
119	US09	<u>United States</u>	Best Value Process In The Selection Of Software Services	Kenneth T. Sullivan, K. Kashiwagi, J. Kashiwagi, D. Brown
120	US10	<u>United States</u>	Transitioning To An Information Environment: Performance Research In A Large Capital Project And Facility Management Group	Kenneth T. Sullivan, K. Kashiwagi, J. Kashiwagi, D.J. Savicky

**LIST OF ACCEPTED ABSTRACTS**  
**CITC-IV CONFERENCE**  
**JULY 11-13, 2007**

121	US11	<u>United States</u>	Framework And Modeling Of Construction Management Activities Using CM Task Maps	Boong Yeol Ryoo, Ronald Baier
122	US12	<u>United States</u>	A Model For Collaborative Industrial Engineering Support And Performance Improvement Of Construction Projects	Lincoln H. Forbes
123	US13	<u>United States</u>	Major Factors Affecting Highway Construction Productivities	Yi Jang
124	US14	<u>United States</u>	"Greening" The Preconstruction Phase	Hazem M. Elzarka
125	US15	<u>United States</u>	Strategies For Successful Construction Waste Management	Hazem M. Elzarka
126	US16	<u>United States</u>	Best Practices For Commissioning Sustainable Building Projects	Hazem M. Elzarka
127	US17	<u>United States</u>	Long Term Multi-Objective Project Selection Under Uncertainty	Jose A. Faria, Thomas R. Beranek, Beste G. Dummus
128	US18	<u>United States</u>	A Safety Management Information Systems for Construction Organizations	Salman Azhar
129	US19	<u>United States</u>	Earthcraft Homes: Capital Verus Recurring Costs Comparison	Zuhair El-Itr, Benjamin J. Guidry, Khalid Siddiqui
129	YE01	<u>Yemen</u>	Structural And Finishing Costs In Yemen	Basel Sultan
130	YE02	<u>Yemen</u>	Traditional/Modern Buildings And Sustainability In Yemen	Basel Sultan
