HUM 3306: History of Ideas--The Age of Enlightenment to the Age of Anxiety
Summer 2009

DISCUSSION FORUM COMPILATION: DUE SUNDAY MIDNIGHT AUGUST 9

Please note: You will not get feedback because this exam is being submitted at the very end of the semester. You will get a grade for this assignment via Turnitin, but it will not appear until about the time you can check, via FIU Panthersoft, on your total course grade. If you have a question about your Discussion Forum grade or your course grade, get in touch with me early Fall 2009 semester. If there is some truly urgent and compelling reason to get in touch immediately after the due date, please of course do so, however.

- The Discussion Forum will be closed for new entries on August 8
- The Discussion Forum Compilation is due Sunday August 9 by midnight, via Turnitin.
- Turn it in single-spaced, with your name, etc., at a top corner; no cover pages, please.
- Compile your contributions into one file to submit.
- Compile only your substantial postings, no need for one line responses to other students.
- You may organize your postings chronologically (when you submitted them in the semester) or according to author/text being addressed.
- You do not need to go thru at the last minute for spelling, grammar, style, and etc., although you may if you wish.
- Do not frantically compose a bunch of entries at the last minute: the goal was to be in dialogue with your classmates throughout the semester.
