Florida International University
Honors Excellence Scholarship Fund

The Fund

The Honors College at Florida International University offers the best of two worlds. It is a small community of outstanding students, dedicated scholars, and committed teachers who work together in an atmosphere usually associated with small private colleges. Yet, they do so with the resources of a major state university. In an effort to recruit top students, provide access for needy students to quality education, and enhance the undergraduate academic reputation of FIU, the College has established the Honors Excellence Scholarship Fund.

The invitation is extended to individuals and companies committed to supporting opportunities for educational excellence to contribute to the Fund. Contributors will be recognized as follows:

- Up to $249---Silver Excellence Circle
- Between $250 and $499---Gold Excellence Circle
- Between $500 and $999---Diamond Excellence Circle
- Between $1,000 and $4,999—The Dean’s Circle of Excellence
- Over $5,000—The President’s Circle of Excellence

Payments can be made over three years. FIU employees may elect to contribute using payroll deduction. For more information about the Fund campaign, please contact Assistant Dean Caryl Myers Grof at 305-348-4100 or grofc@fiu.edu or visit www.fiu.edu/~honors/html/pledges.htm.
