

## **Authorized Degrees and Programs**

All academic programs of the University are approved by the Florida Board of Regents. The authorized programs are given in the CIP (Classification of Instruction Programs) Discipline Codes. These codes represent a nationally used common taxonomy for the classification of higher education discipline/degree programs. The list of authorized programs changes as new programs are added and deleted. The authorized list is included in the Addendum at the back of this Fact Book.

University majors are fields of study with areas of concentration, tracks or sequences. It is possible to have more than one major per authorized degree program. The major codes are internal FIU codes that apply to a college/school. Each major code does have a CIP code for the authorized
