Office: 331C DM  (Dept. of SOC/ANT.)  E-mail: martink@fiu.edu .
Dept. Website: www.fiu.edu/~socant;  Teaching assistant: Dusan Urgrina (dusanu@gmail.com)
Office Hours: M and W 11:30 AM to 12:30 PM; after class or by appointment via e-mail.

COURSE GOALS:
This course is designed to introduce students to the discipline of anthropology. The course is structured to provide students with a basic knowledge of the discipline through the study of particular cultures and the practice of anthropology by students themselves.

GRADING POLICY: Students earn grades based on the following formula:
Mid-Term Examination = 33 1/3%
Final Examination = 33 1/3%
Working Group Presentation = 33 1/3%

Please note that grades are not negotiable. I will be glad, however, to review any graded work to analyze how a student’s performance could be improved.

EXAMINATIONS: Both examinations are multiple choice. All class materials may appear on the examinations i.e. all lectures, books, videos, discussions and working group presentations.

WORKING GROUP PRESENTATION: Students will work in groups of approximately 10 students, investigating one of the themes listed on the syllabus and present their work to the class in a 30-minute presentation. Working Group Guidelines are available at www.fiu.edu/~socant under my name.

PROFESSIONAL STANDARDS: Absence from class, late arrival to class and talking during class other than related to class discussion are unprofessional. All students are encouraged to participate in class discussions by asking questions and offering comments on course material.

LATE ASSIGNMENTS or FAILURE to COMPLETE ASSIGNMENTS: Absence from any examination or working group presentation will earn a 0 and be averaged into the calculations for the final grade. In the case of emergencies students are expected to contact me regarding their examinations or working group assignments.

REQUIRED BOOKS: The following books constitute the required reading for this course. All books are available from the FIU Bookstore. New and used copies may be available in other bookstores. Any problems with acquiring these books should be brought to my attention immediately.

(1) Belmonte, Thomas

(2) Ember, Carol R. and Melvin Ember

(3) Jones, David E.

(4) Kikumura, Akemi

GUIDELINES for WORKING GROUPS for CLASS PRESENTATIONS

GOAL: To produce a class presentation of 30 minutes on a pre-selected topic with all working group members contributing. Each member of the working group earns the same grade.

CONTENT of PRESENTATION: (a.) Explain what your topic is and why it is important. (b.) Analyze the topic critically including any debate concerning it. (c.) Remember to include two cultures as examples. (d.) Summarize and conclude. Please note that a hard copy bibliography of sources employed in the presentation and a list of the participating students with their signatures are required the day of the presentation.

ADVICE for WORKING GROUPS: Respect for all working group members and their opinions should be the basis of the conduct of the group.

A consensus model of decision-making is likely to be the most successful. Learn to listen, encourage quieter group members to participate and don’t allow one or two people to dominate.

Try to delegate tasks based on group members’ interests, abilities and expertise.

Remember to cooperate and solve your own group issues within the group should any arise. If a problem within the group proves irresolvable, I will make an intervention.

MOTIVATION: Remember the working group presentation represents 33 1/3% of your final grade and that all working group members will earn the same grade. Also remember that each class member selected her or his own working group.

Please remember in use relevant sources for information, including non-web based sources, i. e. professional journals and books.

Please remember that requests for special equipment (portable computer, projectors, etc.) need to be made through me. I would need the name and panther number of the student who will be obtaining the equipment from the Media Equipment Office in the Greene Library. I will then forward students’ requests to the ME Office. Please make these requests one week in advance of the date for which the equipment is needed.
